

Response to Restriction Requirement Mailed March 6, 1990

In response to this restriction requirement, applicants elect the invention of Group I with traverse. The newly submitted claims herein fall within Group I and should be considered in place of claims 53-63 and 65-66, which have been cancelled. As an aside, the Examiner is thanked for her reminder to file a certificate of correction in the parent issue patent. This will be done in due course.

Respectfully Submitted
